On April 7, 2009, Virginia Hall bestowed upon Janus Developmental Services, Inc. a very generous gift exemplifying a quiet grace in her charitable giving. The origins of her gift stem from her witnessing daily services Janus provided to the family of a neighbor. She saw the difference Janus made to this individual's quality of life and never forgot this service.

Janus' simple expression of service to others led Hall to include Janus as a beneficiary to her estate and with this, demonstrated the kindness of strangers. The benefit she has provided Janus is lasting and, in her name, with the spirit of her intentions, Janus can continue to enhance the quality of life of others.

Community Bank guided her giving through administration of her estate, providing a full range of trust services in a friendly and familiar environment.

If you would like to know more, pick up a brochure by visiting any of their branches or contact the Trust Department by phone at 76-6972 or e-mail at trust@communitybankindiana.com.

Remember, a little amount can go a long way.
